Gossip Tüdrukud

Hello Sõrve campers,

Well we all know that the eldest A group boys have always enjoyed a good stunt, and getting their kit off has always been at the top of the list.

though we're sad to say this year, the boys being keen to impress us, have in fact been stuffing their jocks with socks- and we suspect that some have even been using their Sõrve shirts.

Now a Romeo and Juliet who have been flying under the radar this camp. We spied two C groupers actually locking lips- Parents, it might already be time to tell your kids about the birds and the bees.

And now that the week is over, we've seen tears hiding behind sunglasses. But don't be sad campers! We'll all be seeing each other before you know it.

Until next year,

xoxo Gossip Tüdrukud

Happy 17th Birthday to Ella Ranniko!!!!
